

ST BARNABAS HOUSE & CHESTNUT TREE HOUSE VISION, MISSION & VALUES

Vision

Our vision is that no one should face death or bereavement without the care and support they deserve.

Mission

Our mission is to achieve dignity, comfort and choice for all children and adults facing the end of life.

Values

Place children and adults, their families and carers at the heart of all our services and activities.

Always strive to provide care at the patient's place of choice.

Provide a focus of expertise in palliative and end of life care through leadership, training, and development of services, to the community and health professionals.

We will at all times endeavour to meet the spiritual and emotional needs of individuals and their carers.

Our services will be accessible and flexible with the ability to respond to the individual's requirements.

We will always strive to make optimum and innovative use of resources provided to us by the community we serve.

Working collaboratively and in partnership with other providers of care.

We will at all times value our staff and volunteers
