St Barnabas House

For over 45 years St Barnabas House has provided care, comfort and support for local people facing the end of their lives. Now, we need your help to enable us to continue to serve our community in the future.

Every year, St Barnabas House provides hospice care to over 1,600 people from Worthing, Adur, Arun and Henfield with cancer and other life-limiting conditions. We do this at the hospice and also in patients' own homes.

St Barnabas is not part of the NHS – we are a charity and rely on voluntary donations to provide at least three-quarters of every £1 we spend on care. Since our doors opened, we have looked after the needs of more than 40,000 local people at the most difficult time of their lives.

And, in all that time, we have never charged a penny to anyone for this care. Everything we do is offered freely and without obligation.

Our aim is to provide the very best care for every local person who needs our help, both at the hospice and in the comfort of patients' own homes.

Thank you for your kind support.
