

## What do we Understand by Spirituality?

This study morning will provide an opportunity to explore what the term 'spirituality' means and how the clinician might help to support a person's spiritual needs at the end of life.

Time will also be given to consider how the clinician might respond to some potentially sensitive comments or questions when they arise in everyday practice.

Presented by Stephen Gurr, Hospice Chaplain at  
St Barnabas House.

**Time:** 9.30am – 12.45pm

**Dates:** Thursday 20<sup>th</sup> June 2019

**Who should attend:** all health and social care professionals
