St Barnabas House charity shops

St Barnabas House has been providing hospice care for local people, and their families, for over 45 years. In all that time our goal has been the same – to give our patients and their loved ones the care and support we would all want for our own families.

Our charity shops are located across Worthing, Adur, Arun and Henfield and are dedicated to raising much-needed funds for St Barnabas House.

Please visit our shops:

We offer free furniture collection and a house clearance service. For more information please call
