

## Night to Remember Worthing – Saturday 11 September 2021 Frequently Asked Questions

Night to Remember is a fundraising midnight walk. Starting and finishing at Worthing Leisure Centre walkers can choose from 7, 13.1 or 20 mile routes. Everyone is welcome aged 10 and over. Join us on Saturday 11 September and help raise vital funds for the St Barnabas House Hospice at Home Team.

**Together we can face the night united and support hundreds of local people and their families.**

### Night to Remember goes single use plastic FREE

St Barnabas House and Night to Remember are trying to take responsibility for the wonderful world we live in and aim to stamp out the use of single use plastics at our events. We are challenging our suppliers, as well as thinking about what materials we are bringing into the event, helping to make a positive change for 2021.

### What is single use plastic?

Single use plastic or disposable plastics are used only once before they are thrown away or recycled. These items are things like plastic bags, straws, coffee stirrers, water bottles and most food packaging.

### How will this affect me?

You will need to bring your own torch and water bottle with you on the night. Water bottles and throwaway torches will not be available on the night. However, don't worry, we will make sure there are plenty of re-fill water points for you to top up your bottles throughout the route to stay hydrated!

If you have any questions or concerns with regards to the above, please feel free to get in touch with the team.

### What are the routes?

**7 miles** - a shorter jaunt from the Leisure Centre to the Seafront via George V Avenue and turning around opposite Brougham Road;

**13.1 miles** - (which is a half marathon) – a slightly longer ramble through the streets of Worthing, joining the promenade at Sea Lane Café and carrying along until turning opposite Brougham Road and returning to the Leisure Centre

**20 miles** - A challenging hike along the seafront right to Shoreham and then back again!

### How old do I have to be?

Entrants must be over 10 years of age on the date of the event, Saturday 11 September 2021. All children aged 10 – 15 must be accompanied by a guardian for the duration of the challenge.

### Can I reserve a place?

No, all entrants are on a first come first serve basis and must complete the registration in full to reserve a place. You cannot enter on the night of the event.

### How much is it to register?

Registration is £22 per person. If you register before 18 June 2021 you can receive the early bird price of just £17.

### New silent disco!

New this year, we are adding the option of a silent disco for £5pp to walkers for all routes. On your registration form online or physical form there will be 2 ticket prices, one for the standard ticket £22 and one with the silent £27. On the night we will ask for a £20 cash refundable deposit which you will get back when you return your headset.

### What is a silent disco?

A silent disco is an event where people dance to music listened to on wireless headphones. Rather than using a speaker system, music is broadcast via a radio transmitter with the signal being picked up by wireless headphone receivers worn by the participants. Those without the headphones hear no music, giving the effect of a room full of people dancing to nothing.

There will be two channels on the silent disco which you can switch between and we will be playing a mix of genres to suit all participants. The silent disco will be available for the duration of the walk and you can remove your headphones whenever you like to chat to your friends and family.

### How the silent disco will work on the night?

A designated walker for each distance will be carrying the radio transmitter so you will need to keep them in sight for the music to keep playing. When we set each group off we will also announce when the designated silent disco walker is setting off, so that you know who to keep in sight. The range of the headphones is up to 500 metres on uninterrupted flat land.

We suggest if you want to do the walk at speed then this option may not work for you or if you are potentially a little bit slower you may drop out of the suitable range.

### What's included in my registration fee?

- Event fundraising pack
- St Barnabas House t-shirt
- Medal upon completion
- Refreshments on route
- Breakfast at the finish
- Full Event support – marshals, support walkers, medics
- Fundraising advice and support from St Barnabas House

### Is there a minimum sponsorship?

There is no minimum sponsorship for Night to Remember and your registration fee covers the cost of the event only, we do encourage participants to raise at least £50 towards the fantastic night service we provide at the hospice. Every additional pound you can raise helps support local people and their families, and directly benefits St Barnabas House Hospice at Home service.

### Are the routes wheelchair accessible?

The 7 and 13.1 mile routes can be accessed by wheelchair users, unfortunately the 20 mile route is not wheelchair accessible due to steps at the bridge over Widewater lagoon.

### How long will the walk take?

The walk is definitely not a race and participants are encouraged to walk at their own pace. We anticipate that the walk will take between 2 - 8 hours to complete, depending on which route you choose to walk. No walkers are allowed to run, or jog and no walker must pass our St Barnabas House lead walkers – all walkers must be back to Worthing Leisure Centre by 6.30am.

### Lead walkers and back walkers

For your safety there will be a lead walker for each route walked, please do not overtake this person as they are there to guide you. We also have allocated a walker at the back so that they can be there to make sure that everyone is still able to continue with the walk and will be there for anyone that requires assistance from the control centre.

## Volunteers

If you don't want to walk you can still get involved through volunteering to support the event on the night – this invaluable contribution allows the event to continue each year. We simply could not put the event on without the support of our volunteers. If you are interested in volunteering or know someone who is, why not get in touch to see how you can help?
