What happens next...

- ★ Arrange a date and time with your St Barnabas House Community Fundraiser to come along, in person or virtually, and give an assembly or talk. This will ensure everyone knows what a difference they will be making to local children and families.
- ★ Check out the downloadable Reindeer Fun resources on our website.
- ★ Let us know how many antlers, noses and sponsorship envelopes you need. We will deliver them to you.
- ★ Advertise your event! Make sure everyone knows what's happening, when and what it's all for.
- ★ Have lots of festive fun on the day!
- ★ After the event, collect in everyone's sponsorship envelopes. Leave them sealed, and when you have them all, we will come and collect them from you.
- ★ We will send you a special thank you, and a certificate showing how much you raised.

Did you know?

- ★ St Barnabas House is your local hospice, and currently cares for almost 2,000 people and their families both at the hospice in Worthing and in people's own homes across the area.
- ★ It costs over £9 million each year to provide hospice care for local people, and only a small proportion of these care costs come from central government funding.
- ★ The generosity of people like you makes this happen. Thank you!
